

Selling a loom or weaving equipment?

If you have weaving loom or weaving equipment for sale, the Seattle Weavers' Guild will post an email to the membership, providing your posting fits within the following guidelines. If you have questions about what is appropriate, please contact SWG by email and someone will respond to your request as soon as we are able.

The email address is: loomforsale@seattleweaversguild.com

The information needed is:

- A short description of the loom or equipment you wish to sell
- Asking price or 'best offer'
- Contact information (e-mail and/or phone number)
- Where the equipment is located (Seattle, Tacoma, etc.)
- Maximum 3 pictures in JPG format, of 500kb or less for each picture

If you know the following information, please include it in your description:

- Manufacturer (model) e.g., Louet (Spring), Glimakra (Julia), Schact (Mighty Wolf)
- Number of shafts (also called harnesses)
- Width of loom
- Condition
- Brief history of the equipment, if relevant
