SWG is an organization of volunteers. It is the help of all our members that keeps our guild successful and growing, and we need you. In addition to regular committee positions, there are occasional jobs big and little, that need doing. Please take a moment to indicate which of the following you could do:

1. Photography (historical purposes, helping others photograph their work well)
2. Weave a bulletin sample
3. Help with refreshments/hospitality on meeting days
4. Help with school or community outreach
5. Volunteer at the annual October sale (graphics, set-up, takedown, inventory, cashiering, etc).
6. Teach mini-workshop (one day, free to members)
7. Computer/web technical skills
8. I would like a Board Member (name or position) to contact me about an idea I have.
9. Help in the Library on meeting days.

If your Name and Address are the same as last year, write "NO CHANGES," however please check last year's information to be sure and check your email!!!
